Description

Beautifully upgraded 3 bedroom home in a very desirable area. Features new hardwood floors, kitchen with high gloss cabinets, stainless steel appliances, white quartz countertops with waterfall edge, new carpet, high gloss white and bamboo wood wall panels, and the list goes on. The master bedroom features a walk in closet and ensuite with jack and jill sinks. Fully finished basement, great for a home theatre/rec room. This property also boasts a double garage, sunny west facing backyard and is conveniently located across the street from a large play field and a community organic garden. Please note 3rd bedroom/den works great as a bedroom but does not have a closet.
